

Special Selectboard Meeting

Tuesday, June 27, 2017

6:30 am

Present: Tom Schnabel, Jim Bowen, Terry Severy, Dan Gendron, Robert Meagher

Meeting called to order at the Rochester Pumphouse at 6:30 am.

The purpose of the meeting was to validate the process and testing method for ph levels in the water system. Testing was done in several locations to ensure testing by all operators is performed in a uniform manner.

Meeting adjourned at 8:30 am.

Respectfully submitted,

Joanne McDonnell
