

The Green Mountain Valley Business Community is kicking off a fundraiser for RASTA, the Rochester-Randolph Area Sports Trail Alliance. RASTA is partnering with the U.S. Forest Service to construct a multi-use biking/hiking/snowshoeing trail behind the Forest Service Office on Rte. 100 N Rochester.

At least \$5000 will need to be raised in the local community to complete the project. GMVBC is kicking off the fundraiser with a thousand dollar (\$1,000) challenge. We will match dollar for dollar the first thousand dollars donated to the Wellness Trail; kicking this whole thing off in the right direction.

The Wellness Trail is yet another in a series of multiuse trails planned throughout the Valley. A Valley wide multi-seasonal sports trail system has the potential to create long-term sustainable economic growth for our area. I hope that you will support it and encourage your friends and loved ones to do the same.

Make your generous, tax deductible donation made to RASTA. Write MATCH ME on your check and send it to:
