

May 5, 2020 Rochester Planning Commission

These are notes of an informal, not-fully warned Zoom “meeting”, held in this manner due to the Covid 19 restrictions enacted by the Governor. It is not an official meeting of the Rochester Planning Commission.

Present on Zoom or phone: Dan McKinley, Sandy Haas, David Curtis, Greg White, Joan Pontious, Zoning Administrator Doon Hinderycks.

Guests: on Zoom or phone: Anni McKay, Deb Moore.

Call to order: Dan opened the Zoom meeting at 6:06 PM.

Zoning Administrator: Doon reported on approval of building permit for a shed and an addition to a garage for Kevin Kelley, 110 Kennedy Dr.

Other: It was noted that the new Town Plan has been approved by the Select Board. We may now proceed with implementation efforts (see Implementation Matrix) and identifying changes to the Zoning Bylaws that should be enacted to be congruent with the Plan. Doon will inquire of Tory Littlefield at Two Rivers whether there is a time table for this. Dan will request Tory send any notes she has regarding needed changes and Joan will check her notes as well.

It was noted that there is a regional Energy Committee coordinated by Tory Littlefield from Two Rivers; it was felt that a town committee would be redundant.

Close: Zoom Meeting was closed at 6:28 PM. Next meeting date is June 2, 2020 in a yet to be determined format.

Respectfully submitted,
Joan Pontious, Secretary
