Discussion on town-wide appraisals. Reappraisal funds from state are received in springtime, sometime in May. Town will need to start a reserve account for \$8,000 a year to match the state funding. We are close to having a town-wide reappraisal. Currently the one firm is booked through until 2025. If the Selectboard will want to use this firm we will need to reach out to them.

Discussion about Granville First Response.

Spreadsheet-Budget:

8.33% currently with \$83,585 brough forward from the fund balance.

Julie will reach out for 2 quotes for Porta potties.

Meeting adjourned at 4:30 pm
